Scoil Naomh Fiachra: Enrolment Policy

3. Equality of access is the key value that determines the enrolment of children to our school. No child is refused admission for reasons of ethnicity, special educational needs, disability, language/accent, gender, traveller status, asylum-seeker/refugee status, religious/political beliefs and values, family or social circumstances.
4. While recognising the right of parents to enrol their children in the school of their choice, the Board of Management of Scoil Naomh Fiachra is also responsible to respect the rights of the existing school community and in particular, the children already enrolled. This requires balanced judgements, which are guided by the principles of natural justice and acting in the best interest of all children. Assisting the school in such circumstances, the BOM reserves the rights to determine the maximum number of children in each separate classroom bearing in mind:
 - a. size of /available space in classrooms
 - b. educational needs of children of a particular age
 - c. multi-grade classes
 - d. presence of children with special educational/behavioural needs
 - e. DES maximum class average directives
5. In the event of the number of children seeking enrolment in any given class/standard exceeding the number of places available preceding or during the school year (due to the BOM being unable to provide suitable accommodation, or recruit the required teaching staff) the following criteria will be used to prioritise children for enrolment:
 - a. brothers and sisters (including step-siblings, resident at same address) of children already enrolled – priority to oldest
 - b. children living within the parish – priority to oldest
 - c. children whose home address is closest to the school (as measured by a straight line on OS map) if the child is normally resident outside the parish/agreed catchment area
 - d. in the event of being unable to enrol a child(ren) from categories a, b or c, in a given class at the beginning of a year, or mid-year, such children will receive priority (in order of a,b,c,) for the subsequent school year over other children on the class waiting list.
6. Other pupils are enrolled during the school year (if newly resident in the area).
7. Pupils wishing to transfer from other schools are enrolled subject to the Rules governing National Schools, as well as our own school's enrolment policy.
8. New Junior Infants spend one/two informal periods in school in June to familiarise themselves with their new environment.
9. Children with special needs will be resourced in accordance with the level of resources provided by the Department of Education and Skills to the Board of Management.
10. Notwithstanding the availability of such resources, parents of children who are unsatisfied with the level of educational provision in our school, are advised to consider a special school which is designed and resourced to specifically cater for the needs of children with special educational needs.
11. Children enrolled in our school are required to co-operate with the support the School Board of Management's Code of Behaviour as well as all other policies on curriculum, organisation and management. The BOM places Parents/Guardians responsible for ensuring that their children co-operate with said policies in an age-appropriate way. These policies may be added to and revised from time-to-time.

Scoil Naomh Fiachra: Enrolment Policy

Enrolment of Children with Special Needs

In relation to applications for the enrolment of children with special needs the Board of Management will request a copy of the child's medical and/or psychological report, or, where such a report is not available, will request that the child be assessed immediately. The purpose of the assessment report is to assist the school in establishing the educational and training needs of the child relevant to his/her disability or special needs and to profile the support services required.

Following receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will, prior to enrolment, request the Department of Education and Skills to provide the resources to meet the needs of the child as outlined in the psychological and/or medical report. These resources may include for example, access to or the provision of any or a combination of the following: visiting teacher service, resource teacher for special needs, special needs assistant, specialised equipment or furniture, transport services or other.

The school will meet with the parents of the child to discuss the child's needs and the school's suitability or capability in meeting those needs. Where necessary, a full case conference involving all parties will be held, which may include parents, principal teacher, class teacher, learning support teacher, resource teacher for special needs or psychologist, as appropriate.

Admission Day/Date

Children who are enrolling for the first time in a primary school will normally be enrolled on September 1st (or on the first day of the school year, if earlier) and in any event, not later than September 30th of the relevant school year.

This policy was sanctioned by the Board of Management on October 16th, 2002.

The policy was reviewed by the Board of Management in October 2017

Application for Admission of New Pupils Year 2018-2019

The Department of Education and Skills has developed an electronic database of primary school pupils called the Primary Online Database (POD) which involves schools maintaining and returning data on pupils to the Department at individual pupil level on a live system. This information will be used to evaluate progress and outcomes of pupils at primary level, to validate school enrolment returns for grant payment and teacher allocation purposes, to follow up on pupils who do not make the transfer from primary to post primary level and for statistical reporting. The database will hold data on all primary school pupils. The database will also contain, **on an optional basis**, information on the pupil's religion and on their ethnic or cultural background. The data required for POD is marked with an **asterisk *** and will only be uploaded to POD **if your child is enrolled**. Scoil Naomh Fiachra: Enrolment Policy

5. Grey socks.
6. School crest available from the school or from Hennessy's sports shop in Newpark Shopping Centre.

Other items are at your own discretion. You are free to purchase the garments wherever it suits you. However, Uniform World Outlet, Market Cross Shopping Centre, Kilkenny, stock the uniform especially for us. If you mention Scoil Naomh Fiachra, Clontubrid they will know what uniform to show you. This uniform incorporates the school crest. Once adopted, we will insist on the uniform being worn consistently.

First Day/Week in School

On the big day, if you are feeling upset, don't show it. Leave your child with the teacher, and tell the child you will be back to collect him/her. If your child is upset, attract the teacher's attention and leave as soon as possible. Sometimes a small toy from home can be a comfort. After the first week it should not be necessary to accompany your child into the classroom.

School Day

The school day starts at 9.00 a.m.
Junior and Senior Infants go home at 1.40 p.m.
The other classes finish at 2.40 p.m.

Lunch Boxes

Lunch boxes should be small and compact. In the Junior Classes, children should be able to open and close lunch boxes and flasks. Be realistic as to the amount your child can eat. Yoghurts can be difficult for Infants to eat in school. A sandwich, a piece of fruit and a healthy drink is still the best lunch. Bars and biscuits are not allowed.

Shoes

The child should have indoor shoes, but not the large, fun, animal-face slippers, which can be a hazard and cause the child to trip. If your child cannot tie laces and needs to change shoes, shoes with velcro fasteners will enable him/her to change quickly and independently. Also please avoid 'slip-on' slippers as they spend more time off the feet than on!!

Booklist

A booklist will be available in June and will be sent to parents.

I enclose a copy of the school's Code of Good Behaviour.

You can find out more about Scoil Naomh Fiachra by visiting the school website at www.clontubrid.ie
